

VIRGINIA TIMBERLAKE (Mrs. Milton Steinberger) clutches an armload of surprise gifts presented to her April 18 at the City Hall reception for former city officials. Making the presentations were Councilman Harold Roberts, left, Col. Walter Thurber, Diamond

Jubilee chairman, and C. W. Jones, right. The gifts were in recognition of her "outstanding work in directing the Diamond Jubilee Pageant and for her civic-mindedness in coming all the way from Phoenix to take over the job."

# Planned Hike in Bus Fares Draws Stiff Council Protest

## Jubilee Fete Is Hailed As Outstanding Success

Sierra Madre's Diamond Jubilee, celebrated all last week, was acknowledged a tremendous success, with all events well attended.

The Woman's Clubhouse was filled to capacity Monday evening for the Community Dinner, when residents 75 years or older were honored. C. W. Jones, Sierra Madre's first mayor, and Charles James, present mayor, reviewed the past and predicted changes for the future.

The Historical Pageant in the school auditorium on Tuesday evening played to an overflow house.

Highlight of the reception for city officials in the City Hall on Wednesday was a presentation to Mrs. Virginia Steinberger for her generosity in returning to Sierra Madre to direct the pageant, consisting of several acts with close to 100 performers.

Col. Walter Thurber presented a corsage to Mrs. Steinberger in the name of the Jubilee Committee, with Harold Roberts presenting a memento from the cast of the pageant. C. W. Jones gave her a bouquet from the Historical Society.

Former teachers, PTA members and school board members attended the reception at the school Thursday afternoon. Ray Bowman and Helen Obazawa presented musical selections.

A steady stream of visitors attended the artists' reception

in the City Hall Friday evening, when the Woman's Club hosted for the new exhibit in the Little Gallery.

Winners in the shuffleboard contest were, first, George McRae; second, Carl Martin, and tying for third, Ed Perlee and Henry Borison.

Mrs. Blanche Gallegos was first prize winner in the needlework contest for women. Mrs. Minerva Rigney and Mrs. Arminia Allen received honorable mention.

Four students received dictionaries for their prize winning essays on "Why People Like to Live in Sierra Madre." Fifth graders Candace Chambers and Craig Reese, and sixth graders Carol Kraus and Joe Ellman were the recipients.

Closing the week, the annual meeting of the Historical Society was held in the Public Library Saturday afternoon. Speaking to a capacity audience was Ed Ainsworth, Los Angeles Times writer.

The week-long celebration was sponsored by the Chamber of Commerce. Col. Thurber was general chairman.

## City Vanishes From Metro Map

Whup! What happened to Sierra Madre?

The City Council learned Tuesday night that Metropolitan Coach Lines had omitted the city from its new bus schedules—and, it seems, from the old ones, too.

Besides constituting a blow to community pride, the omission means that residents must estimate bus arrivals here by the departure and arrival times at the nearest listed points—which are Santa Anita Ave. and Virginia Drive in Arcadia and Sierra Madre Blvd. and Colorado in Pasadena.

The Council sent a courteous but firm memo off to Metropolitan's public relations department—telling them we are here.

## Misgivings Are Stirred By Amended Petition

The City Council Tuesday night voted a firm protest against a rate increase sought by Metropolitan Coach Lines.

The protest, to be submitted to the Public Utilities Commission before its hearings on the case May 9-10, will point out that the company sought a boost of only a few cents in February.

Then, City Administrator Lawrence Bevington explained to the Council, the company this month submitted an amended request seeking increases up to 25 cents.

It was pointed out that all of the company's publicity during the past few months has dealt with the initial request.

The submission of a drastically revised request just a few weeks before the hearing drew verbal blasts from several of the councilmen.

The amended increase would boost the fare from Sierra Madre to Los Angeles from 53 cents to 62 cents.

At its meeting Tuesday night the Council also voted the first reading of an amended tax ordinance.

Briefly, the changes would: (a) require proof of financial responsibility and capability to provide adequate service before a permit is granted; (b) increase insurance obligations to \$25,000 to \$50,000 liability and \$5,000 property damage; (c) require operation on a 24-hour

basis; (d) raise the license fee from \$12 to \$14 per taxicab (in line with the increases in all business fees recently passed by the Council); (e) require a printed rate schedule—subject to review by the Council; and (f) provide for the revocation of a permit by the Council after a public hearing.

The existing taxicab company in Sierra Madre already is in compliance with most or all of these changes, which were decided upon after some councilman saw a possible monopoly situation arising out of the present ordinance.

In other action Tuesday night the Council: 1—Instructed City Attorney T. Guy Cornyn to prepare a resolution making Grand View a through street throughout its length, to be voted upon at the next Council meeting May 1.

2—Received notice of a setback in plans to pave and grade streets in the Cypress Court tract when more than 15 per cent of the residents refused to waive rights under the Debt Limitation Act requiring the city to present detailed information relating to the proposed assessments, the present true value of the land, its assessed value, etc. According to the city administrator, this means considerable delay and expense before going ahead with the improvements. A. L. Suman, of 332 Sturtevant Drive, who was present at the meeting, volunteered to contact the dissenting residents of the tract in an effort to obtain their consent to the waiver. He received the blessing of the Council.

3—Voted \$175.45 for purchase of a vacuum cleaner to sweep up the dusty corridors and offices in City Hall after testimony by the city administrator, based on personal research, to the effect that the building could not be kept clean through any other means.

## Mental Health Coordinating Council Subject

A panel discussion on mental health, arranged to coincide with Mental Health Month during May, will be a feature of the meeting of the Sierra Madre Coordinating Council May 1 at 8 p.m. in Room 12 of the Sierra Madre School.

Mrs. Edith Dane, council president, also announced that new officers will be elected during the meeting.

Panel members will be Miss Muriel Lawrence and Richard Dentine, both of the State Department of Mental Hygiene, and Dorothy Tiller, a member of the Child Guidance Center of the Monrovia City School.

The panel will discuss, among other subjects, the type of governmental mental health facilities that are available in Sierra Madre.

Mrs. Dane pointed out that when this city's school population reaches 900, the school must provide its own social worker, a service now assumed by Los Angeles County.

### CAL. TECH LECTURE

Dr. Sterling B. Hendricks, U.S. Department of Agriculture chemist, will discuss "Control of Growth by Light" at the California Institute of Technology today. Dr. Hendricks represents Sigma Xi, national honorary scientific society. His talk, which will be given in Arms Laboratory, is open to all Sigma Xi members.

## Scouts Enjoy Busy Week-end At District Camporee Here

Under the leadership of John McConaghy of the Mt. Wilson District Camping and Activities Committee, the Boy Scouts of the District enjoyed a Camporee in Sierra Madre Villa Park last Saturday and Sunday.

After a busy afternoon, the Scouts and many of their families enjoyed a lively campfire, with Scoutmaster Walt Goodwin and District Executive Bob Meinholtz, assisted by other Scouters, keeping things going.

Members of the Miniconjou Clan of Ta Tanka Lodge of the Order of the Arrow demonstrated Indian dances, and also "called out" some Scouts and Scouters to take the "ordeal" to become members.

After the boys returned from church services Sunday morning, the various demonstrations were concluded and graded, and the following awards were made:

"Participating," by Kenneth Rickard, district health and safety chairman, to the Fox Patrol (Troop 372), Bat Patrol (372), Panther Patrol (377);

"Standard," by Jack McConaghy, Camporee chairman, to the Apache Patrol (377), Tiger Patrol (375), Rattlesnake Patrol (374), Flaming Arrow Patrol (374), Eagle Patrol (375), and Cobra Patrol (376); "Proficiency," by Marcus Woodward, district chairman, to the Raccoon Patrol (374), Panther Patrol (375), Otter Patrol (377), Cougar Patrol (376), Hawk Patrol (376), Beaver Patrol (388), Eagle Patrol (374), Rattlesnake Patrol (388) and the Panther Patrol of Troop 388, top patrol in points.

Explorer Post 388 of the Latter Day Saints Church supplied the "commissary department" for the staff of the Camporee.

## 'Quakers Visit Russia' Is On Library Agenda

The Friends of the Library will present "The Quakers Visit Russia" via slides and tape recorder tomorrow evening at 8 o'clock in the Community Room of the Public Library.

The narrator will be Clarence Pickett, executive secretary emeritus of the American Friends Service Committee, who was one of six members of a Quaker good-will team which toured Russia last summer.

Elmer Brown, peace secretary of the AFSC, who recently returned from Korea, will show the film in the library.

The Quakers traveled 12,000 miles and visited 10 Russian cities during their visit. They were treated everywhere with friendship and were allowed the widest freedom. For example, they were permitted to take undeveloped film out of the country when the tour was over.

Among other things which will be touched on tomorrow evening at the library... the Quakers noted a real fear of the United States and a desperate desire for peace. Also they saw signs of the hard times through which religion had passed in Russia, and indications that this period is ending, that religion is on the upsurge.

## Services Friday For W. B. Biely

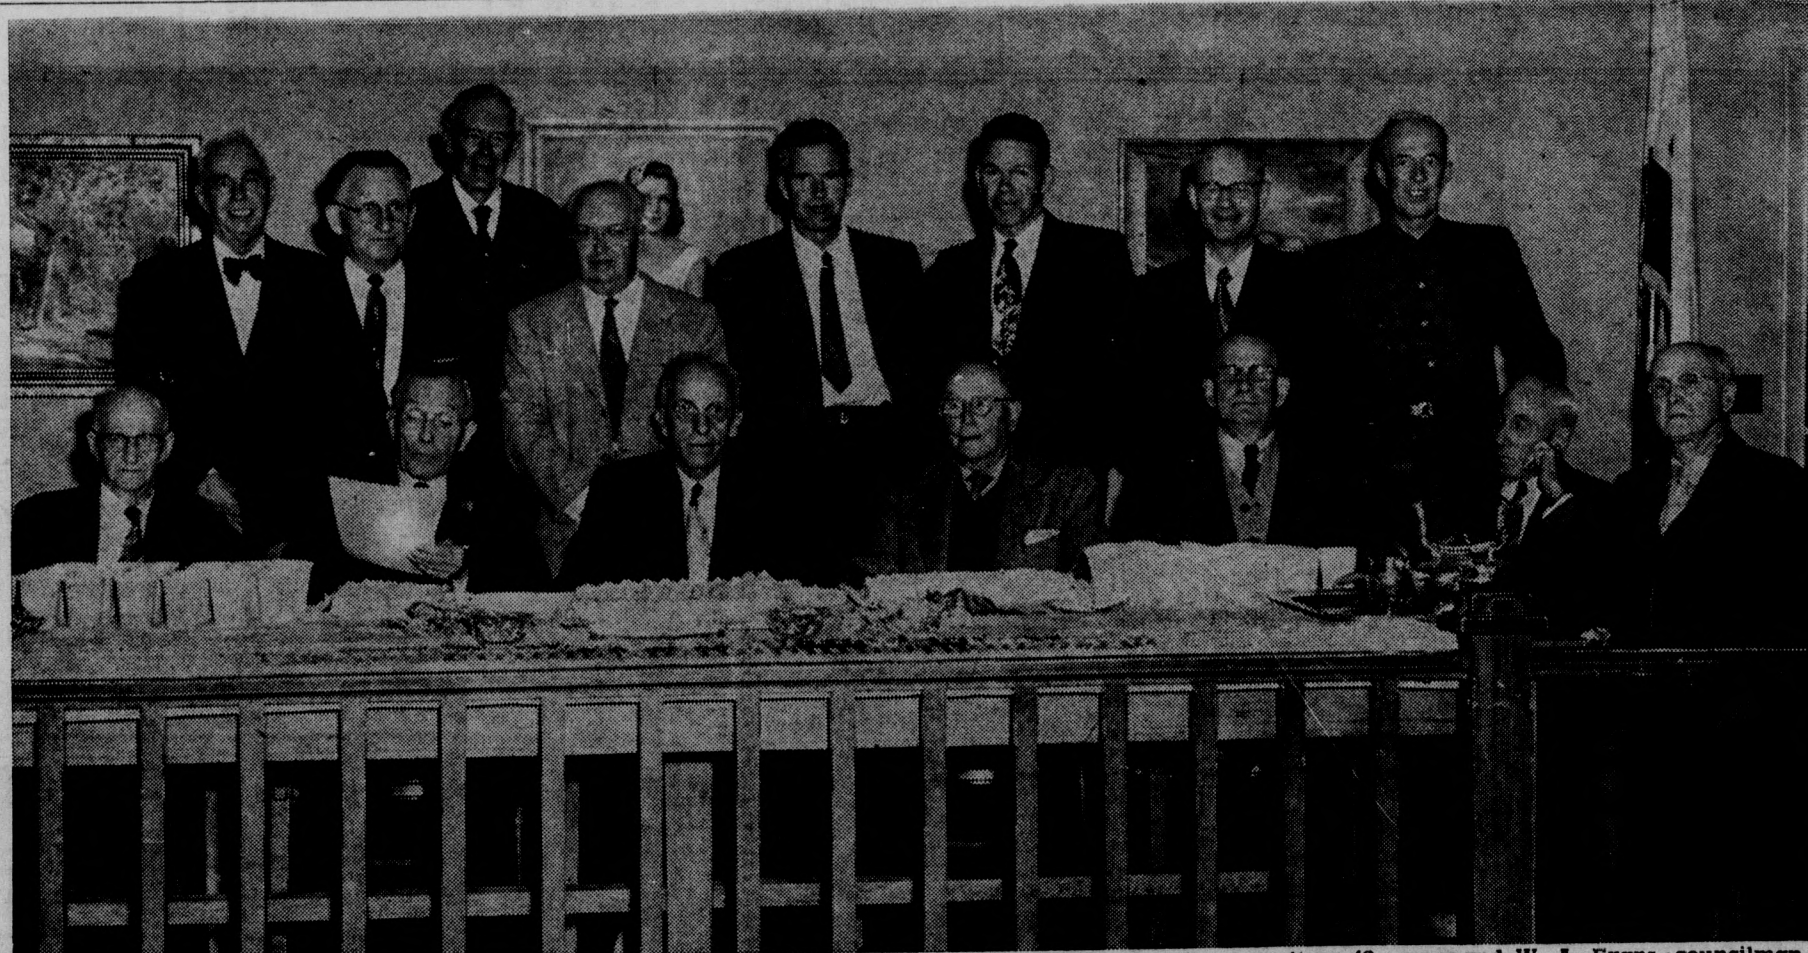

Services will be held tomorrow at 2 p.m. in Ripple Mortuary Chapel for Walter Brown Biely, 414 Mariposa, who died this week in Long Beach Veterans Hospital.

Mr. Biely, 67, had been a resident of Sierra Madre since 1935. Before his retirement he was a barber.

A native of Hillsboro, O., he is survived by his widow, Vera A.; a son, Walter H. Biely of Sierra Madre, and a brother, John A. Biely of North Hollywood.

## Letter to the Editor

To the Editor:

The following is an open letter to the people of Sierra Madre and to Mrs. Virginia Steinberger:

Dear Mrs. Steinberger:

The people of Sierra Madre are deeply grateful for your generous contribution of time and service in connection with the Historical Pageant, a highlight of our Diamond Jubilee celebration this week.

To weld the untrained stage abilities of scores of our men, women and children into the finished production that was presented from our school auditorium stage last night required someone like yourself, with years of dramatic experience.

Your willingness to undertake this gigantic task as a labor of love for your "old home town" shall never be forgotten.

Those who witnessed the Pageant from the school auditorium and those who followed your direction as best they

could "back stage," speak with one voice in praise of your leadership.

Please let us say to you that our personal gratitude and the gratitude of this community will continue through the years.

CHARLES H. JAMES,  
Mayor  
A. E. MORGAN,  
President,  
Chamber of Commerce  
C. W. JONES,  
President,  
Historical Society

Dear Sir:

On behalf of the Mariner Girl Scouts of Sierra Madre, I would like to thank you for the publicity and aid you gave us during our recent rummage sale. The troop appreciated it immensely.

Sincerely,

JOAN McCUTCHAN  
Secretary of  
Mariner Troop 3

## PARENTS HELD RESPONSIBLE FOR CHILDREN'S SAFETY

Parents!! Don't let your child become a victim of water panic or possible drowning due to ignorance and neglect of the simple and easily learned essentials of WATER SAFETY. No person is too young or too old to begin this absolutely necessary education.

In your own pool or in your neighbor's, you and your children are not safe unless you have learned BREATH CONTROL. To be able to breathe when you need to breathe is the essential MUST for living in and out of the water.

To know how to swim with your face out of the water is not enough. What will you do when you suddenly find yourself below the water surface with no air to breathe? You fell in over your head—you were pushed in—someone pulled you under—IT'S no joke!! You're in trouble—and you need a breath.

This warning is given to parents by Dr. Paul Gerrish, Pasadena City College Instructor, certified specialist in teaching WATER SAFETY, SWIMMING AND DIVING to persons of all ages for 23 years. Dr. Gerrish formerly was a college athlete and coach—aquatics director at

private swim and beach clubs—and instructor of University classes for training teachers and coaches of water safety and swimming.

The Gerrish Swim School is located at 3001 E. Foothill Blvd., Pasadena. Dr. Gerrish has taught thousands of children and adults to swim in a few lessons. We do not use inflated tubes which give you a false feeling of security and cause many water accidents. Children are taught WATER SAFETY early—ADULTS generally swim their first lesson.

We teach 13 different swimming strokes with face in or out of the water. If YOU want to swim for fun and recreation—swim in competition—swim to reduce—or swim to put on weight—we have a stroke for you which you can easily learn. If you have never learned to swim well, are afraid, or cannot breathe easily when you swim—just see Dr. Gerrish, who guarantees to teach you how to be safe in the water, and how to swim better.

Please call SYcamore 3-3001, or come in to see us at our pools if you or your children would like to swim safely.

## Lee Shippey asks

## What Do You Think?

Both the Democrats and the Republicans are so eager to get credit for helping the farmer in this election year that all the farmer may get out of it is a kick in the pants.

The Democrats claim that legislation they sponsored in 1948 authorized a soil bank, but Mr. Benson says no, he must have new legislation as requested by the President.

Last week the Democrats urged appropriation of \$1,200,000,000 to implement the legislation adopted years ago, but Mr. Benson still says no, he must have special legislation. I suspect the farmers don't care a darn whether the help comes under an old law or a new one, just so they get the money. When you're in danger of drowning, you don't look at the label on the life preserver before deciding whether to use it.

IT TOOK COURAGE for the President to veto the farm bill. Of course, he couldn't have otherwise without reversing himself and his Secretary of Agriculture. All the same, I give him credit for doing what he thought was right, even though it might hurt him.

I THINK, THOUGH, that there must be bigger, bolder plans than any Mr. Benson has offered yet to solve the farmers' problems. The simple fact is that we have to eat to live and we have to have farmers or we won't eat. If farming isn't profitable,

itable the farmers sell out to corporations and move to town, or go to work for the corporations. Enough of that will mean goodbye to all our rugged individualism and independence. Our farmers have been the backbone of our independence because they weren't dependent on any employer for daily bread.

PROSPERITY on the farm is basic to all other prosperity. Never has this country as a whole prospered when its farmers were not prospering. That is a fact which should make all of us tolerant when Congress makes a special pet of the farmer.

Yet it is utterly silly and uneconomic to pay out huge sums for the warehousing of surplus foods the government has bought just to maintain prices.

And it also seems silly to let anyone in our land go hungry when we have millions of tons of surplus foods we cannot eat nor sell. Unfortunately, I don't know everything, as some columnists do, and frankly admit the problem is too great for me. What worries me, though, is that it also seems too great for Mr. Benson. The surpluses have grown enormously in the last three years—and in an increasing number of cases they have been produced by corporation farmers, not by free and independent farmers.

## Around the Square

Those socks in Mrs. Murphy's chowder were no more of a mystery than you sent the daily roses to alling City Councilmen Harold Roberts and Lorne Pratt.

Each day, as they recently lay abed, a delivery boy brought a single rose with fern, no name. The legislators worried over a few ideas as to the donor. It is suspected that their wives worried over one idea with variations.

Deduction developed the truth that the solicitous fiend (that's no typo) was Postmaster Charles Louk.

MOST EXCITING trip of the season will be embarked upon May 1 by Mrs. Ione Ward, former NEWS publisher. She goes to Michigan to join her sister, Mrs. R. M. Kempton, and they then leave for a tour of the Music Festivals of Europe. Be gone over two months.

A BOOK SUGGESTION Committee of the Library Board was formed last week as a result of the open meeting on books sponsored by Friends of the Library and the Board.

Each member assumes responsibility for research into current and resource books in several categories. Suggestions are then made to the Board and accepted books purchased through regular channels.

This is good news and has, besides, an angle of interest: Sierra Madre has seven graduate librarians, not including staff, and all are members of the new committee.

Mrs. Alice (J. C.) Winslow is a graduate of the Univ. of Washington as are Rev. George W. Lindsay and Mrs. Connie (David) Wood; Mrs. Carrie Nash of Western Reserve, Ohio; Miss Martha Pritchard, Univ. of Chicago; Mrs. Blanche (C.M.) Lupfer, Univ. of Wisconsin, and Mrs. Marie G. McBurn.

## OUT OF THE COBWEBS

Dorothy Humphries will act as captain and guard; Marjorie Rice, guard; Katherine Torance, forward; Olga Olsen, forward; Dorothy Drawn, center; Signa Olsen, substitute; and Gladys Humphries, chapereone and umpire.

Mr. and Mrs. Clarence Orr of South Carolina have arrived in Sierra Madre and will make their future home with R. B. Lees. Mrs. Orr is a niece of Mr. Lees.

FOR RENT—5 room cottage, two blocks from post office and one block from end of car line. \$15, including water. Roth & Seely.

20 YEARS AGO THIS WEEK, April 24, 1936—Miss Pearl Smith and Mrs. Anne Felt of 481 West Highland Ave. have just returned from a delightful motor tour of interest in Southern California.

Word has just been received from Mrs. W. J. Lawless of 550 West Grand View Ave. that she has had one grand time in Washington, D. C., what with attending many sessions of Congress, a banquet at which Mrs. Franklin Delano Roosevelt was present, and other events of stellar importance.

10 YEARS AGO THIS WEEK, April 25, 1946—Pratt's Market, corner of Lima and Sierra Madre Boulevard, was the victim of a serious fire early Tuesday morning.

Easter guests of Mrs. Alice Sedgman, North Hermosa, were Miss Annie Thomas, Temple City, and the Misses de Forrest of Beverly Hills.

5 YEARS AGO THIS WEEK, April 25, 1951—Verna K. Tribble, who has served the second window at the bank for many years, is taking a leave of absence.

Lt. John J. Shippey of the U.S. Air Force is leaving today for Travis Air Base, San Francisco.

## Cinderella to Highlight Field Fathers' Show

The story of Cinderella, like no other Cinderella ever, will be portrayed by fathers of Eugene Field pupils in their annual Dads' Show at 8 p.m. Friday and Saturday, May 11 and 12.

Rehearsals are going full blast for the traditionally farcical performance. Laughs are guaranteed, even if one couldn't recognize the man around the corner beneath his once-a-year makeup.

Half of the hour-and-a-half show will be the Cinderella burlesque, and the second half following intermission will be composed of a variety of song, dance and skits numbers.

The production was written by George Sabin, chairman of the PTA men's committee, in collaboration with S. C. Deal and Eddie Silverman, all veteran Dads' Show participants. Mrs. Helene Kilby of the Pasadena Department of Recreation is directing.

Warren Silliman again will direct the vocalists, and Paul Mechler is in charge of concessions and tickets.

Mr. Deal will have the role of Cinderella; Elmer "Doc" Morton will play her fairy godmother, and Dick Beattie will enact "Prince Charming."

Proceeds from the show will be used to purchase equipment for the school cafeteria. Those interested may call the Eugene Field office for ticket information.

## VILLA VIEWS

By Toni Maurin  
SYcamore 7-9634

I am almost ready to concede that spring is on its way. Almost. I am still waiting for more bad weather, but spring is coming. It is now getting to the point where all of the children are counting the weeks till the termination of the school term. Summer vacations are even being discussed hither and yon. Why is it, the older we get the faster the time goes?

MR. AND MRS. L. T. Greiner of 3000 E. Clarmey just returned from a four-day stay at the Desert Inn in Palm Springs. They met some friends from the East there and made plans for their trip to Honolulu next month.

WE HAVE some new neighbors up this way. They are Mr. and Mrs. George L. Morrison of 1878 Sierra Madre Villa. They have been residents of Sierra Madre and of Pasadena in the past few years. Mr. Morrison is the comptroller of Norris-Thermador Corporation. Welcome!

MR. AND MRS. AIKMAN Armstrong of 3450 Fairpoint are on an entertaining spree. They had another dinner party this past Friday with 14 guests to join in the fun.

MR. AND MRS. H. M. Bucher of 3283 Mesaloe Lane just returned from a 10-day motoring trip to Phoenix, Ariz., where they visited friends. They had a marvelous time and said the trip was just beautiful.

MR. AND MRS. HAROLD Zook of 1120 Mesita Road spent the past weekend relaxing at Laguna Beach.

MR. AND MRS. JOHN Chapman of 1595 Old House Road spent three days last week in Apple Valley singing Christmas Carols. Mary said the weather was most unusual and when it finally snowed it became a little hilarious, inasmuch as no one (but her, that is) was prepared for winter weather.

THE E. MARSHALL Harrises of 1540 Sierra Madre Villa have undertaken a tremendous job of building their own swimming pool. It is kidney-shaped and measures 42 feet in length and 22 feet in width. They are doing it mostly on weekends. She invited me down to see their great hole.

MRS. CHARLES Goldsworthy of 2515 Fairpoint entertained 10 ladies at a Coffee Klatch last week in an effort to get the area campaign mapped out to elect Mayor Warren Dorn of Pasadena as County Supervisor. Mrs. Goldsworthy is area chairman.

DR. LINUS PAULING of 3500 Fairpoint addressed the annual meeting of the American College of Physicians in the Shrine Auditorium last week. He predicted that we would one day see the end of mental deficiency by further study with molecules.

FRIENDS AND NEIGHBORS of Mr. and Mrs. Ben Rogers, 1802 Pasadena Glen, were deeply saddened by the death of their 2-year-old daughter, Kathy, last week.

## Nursery School To 'Graduate' Third Class

Hastings Ranch Nursery School, preparing to "graduate" its third class of tots into kindergarten, is closing this year with big plans for the next.

Play yards have been changed about recently because of the Sunday school building being erected at the Trinity Church where the nursery school is housed. But next year's students will benefit considerably from the new building, with each class having its own room, according to the nursery school directors.

Applications are being taken now for fall classes, with information available from the school secretary at ELgin 5-1298. Children between the ages of two years, nine months and kindergarten are eligible. In addition to a director, there are three nursery school teachers for three age levels. Two- or three-day weeks are available, with classes held from 9 to 11:30 a.m. The school is a "cooperative," with parents taking an active part.

Preparing for the cost involved in changing classrooms, the directors announced happily that the recent nursery school "Ranch Party" was successful financially as well as socially.

The next fund-raising project is a rummage sale scheduled May 19. Directors asked residents of the area to save their "castoffs" and watch for announcement of whom to call for collection.

EUGENE FIELD first graders (front row from left) Linda Wochnik, Kit Armstrong and Betty Galt Cozen, along with other little classmates, are trying to decide whether to become Blue Birds or Brownies, little sister groups of the Campfire and Girl Scout organizations. Mothers of girls who will enter second grade in September met to hear an explanation of the two similar character

building organizations, and then their daughters joined them for a party. Among older girls assisting were (rear, from left) Girl Scouts Pam Beattie and Corinne Brumfield, Campfire Girl Pam Mechler and Blue Bird Donna Jo Cook. Brownies wear little brown front-buttoned dresses; Blue Birds, dark blue skirts, red and blue vests and white shirts.

## Our Columnist Hits the Trail—And That's a Horse on Him

By Charles Ayres

From a recent deep-seated and jarring experience has been born a new and profound respect for the movie cowboys and Indians.

I'm not referring to their acting, if any—it's their ability to stay seated atop that fiendish monster commonly called the horse while racing and dodging madly in pursuit of something or other.

If dog is man's best friend then I have physical evidence to prove that horse is his worst enemy. But I suppose you can't really blame the poor beast. After all when a guy's 29 he's old enough to know better.

Misery loves company, and sharing this distress are Bill Hogboom and Hank Howell. After their experience they swear that it's just a matter of time until the horse becomes as scarce as the nicker cup of coffee.

By contrast Betty Hogboom rides as though she was "born to the saddle." But then she cheated. She finally confided that she'd had lessons, the first of which involved riding on a blanket instead of a saddle, which, come to think of it, couldn't be less comfortable.

Curt De Boynton showed that he's equally at home aboard beast or boat. He escaped unscathed, and is a tough man with a horseshoe, too.

COAST LEAGUE teams have been selected in the Hastings Ranch Little League. The Red Sox will be managed by Bill Caldwell, Rams by Don Williamson, Eagles by Jack Sullivan, and the Dodgers are still

looking for a manager.

HASTINGS RANCH can be justly proud of its Little League graduates. Ron Rossiter, Don Field, Keith Olwin, Dave Kadi-son and John Werbelow all made Pony League teams. Although he has moved to Arcadia and wouldn't be trying out in the Pasadena leagues, you can bet that Bob Davis also qualified.

Bob Brinton will be playing his second year in the Babe Ruth League.

JOHN AND BETTY McGraw switched plans to go to the sports car races at Pebble Beach and went skiing at Mammoth instead.

## LANGUAGE CLASSES

Native Americans who speak some German, Russian or Danish, and would like to converse with a native from one of these countries, are invited to call Thomas Griffin, principal of the Monrovia-Duarte Evening High School, ELliott 8-2551, for information about a conversational language class which meets on Tuesday and Thursday evenings from 7 to 9 at the high school.

## Hastings Teen Times

By Judy Jennings  
ELgin 5-1808

Our new "Canteen" was opened Monday, the 16th. The "Canteen" is an open pergola outside, where we are able to buy sandwiches, etc. It sure is great on these warm days.

THE FOLLOWING kids are in the final Exchange Assembly Tryouts which were held Wednesday, the 18th, from 3:30 to 4:30 in the Willard Auditorium. Next week I will write on who made the finals of this tryout.

For dancing, these kids are in the final tryouts: Susie Adams, Lorraine Berger, Doris Cottam, Sharon Reimers, Linda Palmer, Karen Brower, Miki Athay, Sharon Abbott, Sarah Bolar, June Lindman, Pat Kilgore, and Margarethe Bertelson.

Those who made Vocal are Heida Silliman, Linda Cropsey, Jerilyn McIntire, Janis Burmeister, Virginia Sharp, Marilyn Mohn, Joyce Davies, Susan Peterson, Nancy Cartier, Carla Conn, Wilberta McGuire, Cathy Franco, Malinda Howell, Jean Osti, Jane McCawley, Lyra Lee, and Danny Osti.

Those who made Speech and Drama finds are Elsie Garlatz, Sandy Gregus, Linda Faulkner, Wendy Watson, Carolyn Elliot, and Jeanie Jardin.

And those who made Instrumental are Jean Osti, Robert Gaggero, Lois Lehman, and Steve Smith.

OUR REPORT CARDS came out Wednesday, the 18th. There sure were some sad and happy faces on the campus.

CAROLYN AND MALINDA Howell and grandparents went to Palm Springs for four days. They went Friday, the 13th, and came back Monday, the 16th. They stayed at Smoke Tree Ranch. All they did was eat, swim and sit in the sun, and had loads of fun.

STEVE SMITH played "Jugger," by Ernest Toch, and "The Singing Fountain," by Niemann, on the piano in the Tuesday Musicales Juniors recital at the Recital Hall, Pasadena Public Library, on Saturday, April 14. Program was arranged by June Matthews and Doria Trillingham. Mrs. Robert James Gawley is counselor; Richard Unwin, president, and Marilyn Flender, program chairman. We hear he played real good.

REMEMBER TONIGHT is Willson's "Open House." The PTA starts at 7:10 in the library. At 7:30 the bell will ring and the parents will visit 15 minutes in each period class of the child. Coffee and doughnuts will be served at 9 in the Cafatorium.

I WISH I WERE as clever as David Brearley and end my column with a little joke, but I just don't have one. Have you noticed that no matter how long my column is, his is always longer? His column is very good, including his jokes.

## Women Voters Survey Agencies for Children

This month's unit meetings of the League of Women Voters are being devoted to the discussion of the survey of agencies for the protection of children, available in the Pasadena area.

Mrs. W. L. Barr, 1015 Hastings Ranch, director of the item, and her assistant, Mrs. C. M. Shafer, 1335 Hastings Ranch, have announced that among those agencies visited, which will be discussed, are Boys and Girls Aid Society, Boys Republic, Children's Training Society, Child Guidance Clinic and Pasadena Welfare Bureau.

At the annual convention of the Pasadena League, held the first of the month at the Green Hotel, members were given a preview of the scope of the subject and the problems involved.

Mrs. Barr introduced the luncheon speaker, Mrs. John B. Anson, chairman of the family and child division of the Community Welfare Council and president of the board of Rosemary Cottage, who spoke on "Why Do Children Need Protective Care?"

Having just returned from the Governor's Conference on Youth, Mrs. Anson described some of the ways in which other cities are meeting the needs for juveniles, both in California and other states.

The need for more agencies to help parents with disturbed children, and to encourage parents to seek or accept help for children who might be potential problems to society were emphasized.

Mrs. Anson ended her talk with a quotation from Bertram Beck, associate executive secretary of the National Association of Social Workers: "If we can face hostility and act, not out of our own hostility, but out of a perception of needs of those who aggress against us, we shall not only bring the delinquent out of exile, but we shall move forward toward a world in which men can live in peace and harmony with one another."

The Hastings Ranch Units are supplying several of the resource people to the Pasadena League Units for this subject. They include Mrs. Barr, Mrs. Shafer, Mrs. Wayne Blackman, Mrs. Charles E. Cowen Jr., and Mrs. Conrad B. Walburger.

Mrs. Barr has stated, "A number of points will no doubt come out of the discussion of the local agencies." The committee feels that one significant trend was the movement of institutions away from merely institutional care. They are concerned with not only feeding and clothing the children but also with their emotional needs. The relationship of mental health to the activities of the agencies will also be covered.

The League of Women Voters of Pasadena has launched a two-week finance drive for the \$1,900 which is needed to complete its 1956-1957 budget of \$7,427.

Mrs. James G. Newcomb opened her home last Monday for a "Kick-Off Breakfast" for members who will be participating in the campaign. The five finance drive workers requested by the Pasadena League from the Hastings Ranch Unit are Mrs. Harry Halstead, Mrs. Alfred Hartwell, Mrs. H. Kirk Lewis, Mrs. Charles Cole and Mrs. R. P. Schuster.

The League of Women Voters is a non-partisan organization whose purpose is to promote political responsibility through informed and active participation of citizens in government, and is dedicated to the principles of self-government, established in the Constitution of the United States.

The Hastings Ranch morning unit is meeting today at 10 o'clock at 1110 Medford, and the evening unit will meet tonight at 7:45 at 985 Crestview. All interested persons are welcome at these meetings.

## 'Solid Gold Cadillac' Opens Tonight at the Playhouse

ZaSu Pitts will star in "The Solid Gold Cadillac" opening tonight at the Pasadena Playhouse.

The comedy, by Howard Teichman and George S. Kaufman, is about a simple little woman with a one-track mind and a tiny dab of stock in a big corporation. She turns up at an annual stockholders' meeting to ask some embarrassing "little" questions, which result in three explosive acts of comedy.

Miss Pitts has become synonymous on screen and stage with the role of the helpless, confused female.

Supporting her in featured roles are Russ Bender, Tobin Seymour, Jason Johnson, Ralph Barnard and Milton Collier.

Others in the cast are: Greta Thyssen, who plays an eye-catching bathing beauty "from the advertising department"; Louise De Juy, Jim Kern, Belle Coupe, Richard Worthen, Edward Brooks, Glen Wood, Don Rizzo, Erwin Fuller, Annette Milton and Helen Collier.

The Playhouse is open for Saturday matinees but dark on Mondays. Evening curtain time is 8:30.

She discovered Hydrolin, a new ingredient that transfers beneficial moisture into the deep tissues of the skin. Thanks to exclusive Hydrolin . . . and other rich components, only Flowing Velvet works these three ways:

Sawyer School of BUSINESS

1168 E. Colorado St. SY 2-7193

San Francisco, April 18, 1906

One of the great fires of history followed a 5:12 a.m. earthquake at San Francisco fifty years ago.

Hammond Lumber Company had offices on the 4th floor of the Merchants Exchange building on California Street.

Everything inside our offices was destroyed, excepting, by good luck, the contents of our office vault.

The papers therein were browned from the heat. Some banks could hardly decipher the charred records they later removed from their vaults, such as a \$100,000 note, very black indeed, which our company paid off, framed and hung in our office.

Contacts County  
Advisory Committee**

The Pasadena Chapter of California Society of Professional Engineers has requested the opportunity to nominate one member of the County's Advisory Committee on Motor Vehicle Exhaust Controls.

This request was made last week in a letter to Air Pollution Control Officer Smith Griswold by chapter president Edward G. Lowell of Pasadena. Supporting his request, Mr. Lowell stated that "adequate consideration of technical community problems requires the inclusion of engineers at the policy level."

For the past year the chapter's special committee on air pollution problems has been under the chairmanship of H. Edmund Karig, who has been assisted by Dr. Royal W. Sorensen, W. H. T. Holden, Marvey W. House and Dr. James M. Carter.

### Men's Fellowship Schedules Dinner

The Men's Fellowship of the Congregational Church will have as guest speaker at its dinner meeting April 30 Tallman Trask, former Chief Scout Executive of the San Gabriel Council.

Mr. Trask will speak on the theme: "Trans-Pacific Journey." He will draw his material from the first section of his recent trip around the world.

Doug Bolitho, baritone, will sing two numbers. The dinner, which will be served at 6:45, is in the charge of the Women's Fellowship. Men of the community are invited.

Too often those party platforms turn out to be deadfalls.

### Free Music Festival Opens Monday Night

An outstanding array of well-known musical artists will appear in a sacred "Festival of Music" in the Pasadena Civic Auditorium Monday beginning at 7:45 p.m.

Bill Carle, the famed basso, will headline the program. A former Broadway entertainer, he is now considered one of the best sacred singers in America. He has given command performances at the White House and before royalty, and has appeared with some of the best-known symphony orchestras.

Others engaged for the Festival of Music include Rudy Atwood, pianist, and Beth Farnum, soprano soloist, both heard regularly on the "Old Fashioned Revival Hour." Carlotta Booth, music master; Virginia Baker, violinist; a male chorus, quartet, ensemble and harpist.

Ralph Carmichael, composer, arranger and conductor, will direct the entire production. Carmichael has written the scores for the Billy Graham films.

Sponsored by Fuller Seminary, of Pasadena, the event is open to the public and there is no admission charge.

### A Full Schedule Is Planned Sunday At Faith Lutheran

After the morning Faith Lutheran Sunday School session at 9:15 Sunday, devoted to the subject of "The Two Worshippers—Pharisee and Publican," the congregation will meet to worship at 10:30.

The church service will be a rally-service in which the sermon subject will be on the theme, "The Observant Lord."

At 4 p.m. all communicant members of the parish will meet, under the direction of J. Cranor Richter, to consider the subject of becoming a self-sustaining parish by Jan. 1, 1957. W. A. Schroeder, Ph.D., is the chairman of the Board of Fiscal Affairs.

At 5:45, the Men's Club will serve lunch on the church parking lot to all meeting attendants and their families. Assisting will be members of the Youth League. Kenneth Bock is in charge of arrangements.

A 45-minute film entitled "For Good or Evil" will be shown at 7 p.m., preceded by two Walt Disney color comedies for the children.

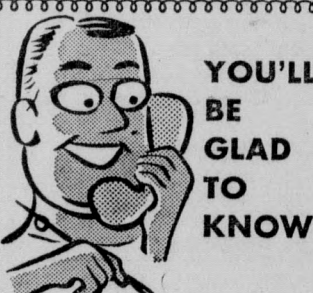

### Dr. Herman Sweet Speaks at Trinity

Dr. Herman Sweet, director of Christian Education for Southern California, spoke last Monday evening to a combined group of the Trinity Presbyterian Church and Trinity Club on children in the Christian family. The participating clubs were the Clipper, Schooner and Voyagers Clubs.

Ground-breaking for the new Christian Education Building of Trinity recently took place, enabling the members to anticipate new Sunday School quarters in the near future. It was especially timely to have Dr. Sweet at this time.

### SUNDAY SERMON

### Two Observances Are Scheduled at Community Center

At the Foothill Jewish Community Center, Sierra Madre, two observances will be noted April 27 at 8:30 p.m. This will be Hebrew School Sabbath or, as it is also known, "Scholars' Festival." It was after a plague ceased about 1900 years ago that students of Rabbi Akiva returned to him to resume the study of the Torah, which had been prohibited. This day, therefore, is known as "Scholars' Festival," as a memorial not to depart from the teaching of the Torah.

Also, this is Lag Ba-Omer, the 33d day of the counting of the omer. An omer at that early time was a measure of barley, and this omer was the daily offering to the Temple as the first harvest of the year. It started during the Passover festival and ended with Shavuoth, the Festival of Harvest.

Rabbi Charles W. Steckel, spiritual leader, will speak on "Lag Ba-Omer" at the services and will be assisted by Cantor George David.

The hosts at the Oneg Shabbath, following the services, will be Mr. and Mrs. Ralph Cohen of Sierra Madre.

### May Breakfast Set for the 6th

Continuing a 30-year tradition, the members of St. Catherine's Guild of the Church of the Ascension will prepare the 32d annual May Breakfast at the Church of the Ascension on May 6 at the Parish House.

Breakfast specialties prepared by the members of the guild will be served from 7 to 11:30 a.m. at the nominal cost of 75c for adults and 50c for children under 12. Mrs. James H. Cable and Mrs. L. M. Anderson are co-chairmen of the breakfast with Mrs. Helen Hutton in charge of decorations, Mrs. James Felton and the members of the Junior Altar Guild in charge of serving.

### Fellowship Plans Potluck Supper

A potluck supper will be the feature of the May meeting of the Women's Fellowship of the Sierra Madre Congregational Church May 1 at 7 p.m.

The speaker will be Miss Louise Emery, secretary of the Pasadena YWCA, and specially invited for the evening meeting will be the Women's Fellowship of the Arcadia Congregational Church.

There will be an election of officers at this annual meeting. Devotions will be led by Mrs. Frederic Blake and the meeting will be under the chairmanship of the Consensus group of the church.

Diplomacy is a tactful way of saying "nice doggie" until you have time to pick up a big stick.
